

Young Film Makers and Animators 2013 Workshop

For the kids who dream of making movies, this is an opportunity to learn the basics of the film making process by collaboratively producing, directing and editing a short film. We will provide HD digital camcorders and computers with professional editing software. Participants just need to bring creativity and a willingness to collaborate! In this introductory level workshop, participants will experience the world of film making, computer animation, and digital video recording and editing.

Location: Mt. Vernon High School's new recording studio and CGI Design Lab

Cost: \$60 (Includes daily snacks, pizza on the last day, and a DVD)

Open to kids 10-14 years old

Each session is limited to 10 participants

Session 1: June 17-20, 9:00 a.m. to noon

Session 2: June 24-27, 9:00 a.m. to noon

Session 3: July 8-11, 9:00 a.m. to noon
