

GREENFIELD CENTRAL School Foundation

CONNECTING OUR COMMUNITY TO THE CLASSROOM

Greenfield Central School Foundation connects our community to the classroom to support student learning, provide extraordinary classroom experiences, and prepare our students for success.

We Accepted the CHALLENGE.

For the year 2017, the Hancock County Community Foundation (HCCF) offered to match up to \$12,500 in donations to build the GCSF Endowment Fund.

We said YES! But, we need YOU!

So... tax-deductible match donations of \$20 will double to \$40. \$50 becomes \$100. \$500 jumps to \$1,000. The total match + donations benefit would provide a long-term investment of \$25,000.

What **IS** the benefit of an endowment fund?

- Gifts are *permanently* invested.
- Income earned provides continuous *operating support to GCSF* for the benefit of our students and schools for generations.
- *Boosts organizational capacity*, allowing GCSF to plan for, invest in and implement developmental strategies for the future.
- Provides an opportunity for those who support the work of the organization to make *planned gifts*.

Will you JOIN us?

See reverse side
for more information.

Thank you
for investing in our children!

DEAR PARENTS,

Through the Greenfield Central School Foundation and its donors and partners, we are building a stronger community – helping our students succeed in school, in business and in life by preparing them as key contributors in the workforce and leaders for tomorrow.

Championing private giving to the G-C Schools, GCSF funds help facilitate programs for students of all ages and interests, including prepping for Kindergarten, mentoring, STEM collaborations, enrichment opportunities, special convocations and many other programs.

An important part of our planning for the future has included the establishment and continued building of the GCSF Endowment Fund. This fund provides operating support to further the organization’s mission to provide funding for educational activities that are beyond the scope and financial ability of Greenfield-Central Community School Corporation.

We work hard to raise money that will help fund the educational programs and needs of today. Donations are vital for that cause. Equally important, is our future ability to continue the work of GCSF. Our GCSF Endowment Fund addresses that concern by providing a place for money to be saved, invested, and grown over time – generating income that will benefit our goal of preparing our students for success.

We hope you are eager to join us as we build for the future of our students, teachers, and schools!

If you have questions about this Match Challenge, would like more information on the work of the foundation, or want to know how you can help connect our community to the classroom, contact Ginny Brown, GCSF Executive Director at 317.477.4103 or vbrown@gcsc.k12.in.us.
