

Hancock County Health Department  
is announcing WALK-IN CLINICS for  
back to school IMMUNIZATIONS for the  
2018-2019 school year

We are opening the schedule for walk in school immunizations in July.

No appointments necessary!

If you have any questions please contact us at 317-477-1125.

A parent or legal guardian **MUST** be present with anyone under the age of 18.

Immunizations for children, 18 years and younger, are offered at no/low cost for those with no insurance or on Medicaid. Those with insurance coverage will need to call our office to verify we are in network.
